Come with us

Come with us on a journey.

For thousands of years, the Orient has been full of fascinating history, rich tradition and distinctive aromas.

From the hot sands of the Sahara, through bustling markets and ancient trade routes to the exotic and mysterious lands of the Far East.

For centuries, explorers and merchants have been captivated by the Spirit of the Orient.

Six unique and unforgettable perfumes await your discovery.

SPIRIT OF THE ORIENT FRAGRANCE OIL

Spirit of the Orient Fragrance Oils are a premium range of concentrated exotic fragrant oils, perfect for use in oil burners, oil vaporisers, pot pourri, crafts and candles.

They are supplied in convenient no-mess 12ml dripper bottles.

SPIRIT OF THE ORIENT SOY SCENT CAKES

Spirit of the Orient Soy Scent Cakes are vibrantly coloured and infused with our concentrated fine perfumes.

Designed to be used in an oil burner without the need to add water, they are long lasting and convenient. Our scent cakes are made from renewable soy wax and will last for up to 15 hours.

SPIRIT OF THE ORIENT INCENSE

Spirit of the Orient Incense are of superior quality and are made from only the finest ingredients and Oriental inspired perfumes.

Each packet is beautifully embossed and contains 25 incense sticks, made with bamboo core and provide a one-hour burn time per stick.

SPIRIT OF THE ORIENT PILLAR CANDLES

Spirit of the Orient Pillar Candles are lovingly created to compliment your decor, while providing a rich fragrance to captivate your senses.

These are available in vibrant jewel-like colours and an extended range of sizes to mix and match to your taste. These pillar candles are long burning and use only 100% lead-free cotton wicks.

The Fragrances

AKASHA is Sanskrit for the first element and the basis of all things in the natural world.

Sandalwood and patchouli create a warm base sweetened with pink musk and orange blossom.

ISHTAR is the Babylonian Goddess of fertility, love & war.

Warm spices of cinnamon, vetiver & vanilla surrounded by rose water Turkish delight and pomegranate.

MEDINA are narrow lanes that wind through the old Arab quarters of north Africa.

Precious frankincense, copal amber and myrrh, aromatic cardamom and coriander with burnt sugar.

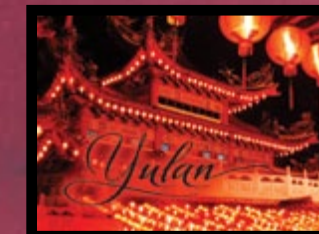

SAKURA means cherry blossom - a metaphor for the ephemeral nature of life.

Floral avenues of blossoming cherry and plum trees, bergamot smoked tea, maple and cedar shavings.

SALA is a place of rest and shade in a Thai Buddhist temple.

Fresh lemongrass with Thai basil and mint, sweet lotus blossoms and a base of patchouli and cedar.

YULAN is Mandarin for magnolia - an ancient symbol of purity.

A floral heart of peony rose, magnolia and jasmine brightened with grapefruit, mandarin zest and lychee.
